

## Temáticas de accesibilidad Implementadas

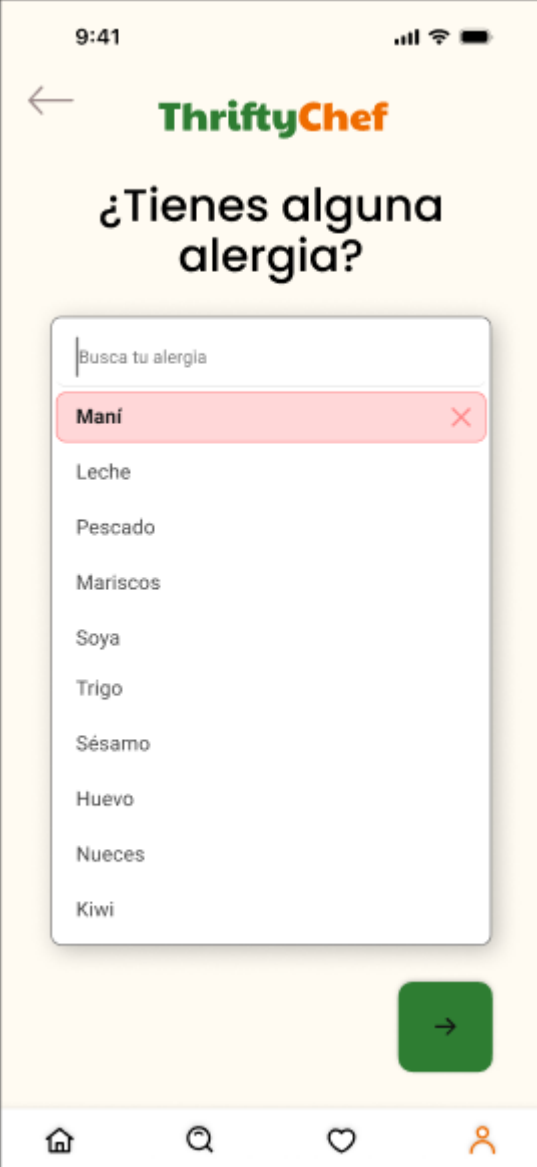

Implementación de un tema oscuro

En barra de búsqueda se implementó un botón que permite búsqueda por voz

Implementación de sección para indicar diferentes alergias y así evitar recomendaciones que contengan estos ingredientes

The screenshot shows a mobile application interface for ThriftyChef. At the top, the status bar displays the time 9:41, signal strength, Wi-Fi, and battery icons. Below the status bar is a navigation bar with a back arrow on the left and the ThriftyChef logo in the center. The main heading asks "¿Tienes alguna alergia?". Below this is a search bar with the placeholder text "Busca tu alergia". A list of allergens is displayed below the search bar, with "Mani" highlighted in a pink box and marked with a red 'X' icon. The other allergens listed are Leche, Pescado, Mariscos, Soya, Trigo, Sésamo, Huevo, Nueces, and Kiwi. At the bottom right of the main content area is a green button with a white right-pointing arrow. The bottom of the screen features a navigation bar with four icons: a house, a magnifying glass, a heart, and a person.

9:41
